

REBUILDING LIFE AFTER
SPINAL CORD INJURY

Karnataka Rajya Bennuhuri Apagatada Angavikalara Sanga ®

Annual Report 2020-21

Karnataka Rajya Benuhuri Apagatada Angavikalara Sanga (KRBAAS) is a non-profit organization established in 2008 by people affected with Spinal Cord injury. Primary focus of KRBAAS is to support person affected with spinal cord injury. It is one of the four organizations in Karnataka that works in the area of spinal cord injury. KRBAAS has the expertise and experience in providing in-house rehabilitation using specially designed equipment. KRBAAS is located in Magadi, Ramanagara district and is currently working in 5 districts of Karnataka – Ramanagara, Mandya, Mysuru, Hassan, Tumkur and Chikkaballapura.

MISSION:

Empowering PWSCI (People With Spinal Cord Injury) to live life to their fullest potential through timely medical intervention and rehabilitation support as well as advocating their rights.

VISION:

To help PWSCI's (People With Spinal Cord Injury) to lead a HEALTHY, DIGNIFIED and INDEPENDENT life in Karnataka.

Values of the Organization:

- Transparency
- Mutual Respect
- No Compromise in Quality
- Collaboration and Networking

In order to support the persons with spinal cord injury (PWSCI) KRBAAS does the following intervention at two levels:

1. **Social Rehabilitation Centre (SRC-Institution):** Established in the year 2012, a total of 234 beneficiaries were provided with the following services.
2. **Community based Rehabilitation Centre (CBR):** Initiated in the year 2010, a total of 1150 beneficiaries have been reached under this program. Major activities carried out are:

In the Community Based Rehabilitation we focused on Leadership Training for Active SCI Persons in Ramanagar, Mysore, Hassan, Tumkur & Chikkaballapura Districts.

Activities Details:

1. New Persons Identification and assessment:

In 2019-2020 year are identified total 91 Persons with Spinal cord Injuries in community Level most of the persons were identified by our field workers within our working geography through the Home visits and Hospital Visits. Once we identified the persons then we take second step its Assessment it's based on ASIA (American Spinal Cord Injury Association) Assessment form with basic needs of the Persons. And also, all 91 are undergone the Assessment.

2. Follow up and Membership:

After the Identification and Assessment than KRBAAS started Follow up with these persons. In this year total 303 PWSCI's are comes under follow up support, majorly follow ups done through Community Based Rehabilitation Program with Home Visits and Hospital Visits. In Community based Rehabilitation KRBAAS gave information about Social security schemes, bed sore management skill, 3% Grama Panchayath fund utilization. Etc. before we gave service to persons, we offer to get membership of Association.

3. Capacity Building Program/ Awareness training:

Capacity Building Training programs / training are nothing but Awareness trainings. This training includes various stake holders in Community level. E.g.- MRW's, VRW's, ICDS workers, ASHA workers, PWSCI's, Care givers and other NGO staff. In trainings we gave information about what is the Spinal cord injury? what are all the cause for spinal cord injury, Levels of spinal cord injury, what are all the primary and secondary problems, mobility and aids management, balder and bowel maintenance, Social security scheme for PWSCIs, bed sore management skills and also gave information about Social Rehabilitation Center.

In 2020-21 total 387 different stakeholders covered under capacity building trainin

4. Mobility Aids Support:

Mobility Aids is the Major Aspect to improve the situation of the Persons with Spinal Cord Injuries, KRBAAS ensured Mobility Aids to PWSCI's in Institutional level and Community level. In this Mobility Aids mainly KAFO, AFO, Wheel Chair, Walker and Elbow crutches.

In this total 25 Mobility Aids Distributed by KRBAAS.

5. Medical kit distribution:

KRBAAS works in Community level with the objective of Medical Intervention and Social Intervention; in Medical intervention KRBAAS distributed the Medical kits in Community through our field workers. In this year total 26 Medical Kits Distributed by KRBAAS

6. CADIC camps(Community Aided Disabled intervention camp)

(Medical Intervention Camp)

CADIC camps were done in the various places of our Geography like- Mandya, Mysore, Hassan and Ramanagara Dist. In these camps community was made aware of SCI, capacity of PWSCI's and Care

givers was built to Prevent secondary complications and enable the Management of PWSCI's. Social Services Security Schemes (SSS) available from the Govt. also we share.

In this 2020-21 year only 1 camp conducted by KRBAAS and covered 12 Beneficiaries and parents. Camps done by the Support/collaborated with some Local Organizations and Local Hospitals.

7. Social Rehabilitation Center Admissions & Services:

KRBAAS Supported Rehabilitation to 235+ PWSCI's in SRC with Regular therapy & recreational Games. In 2020-21 total 15 spinal cord injuries got services from SRC.

Major Services are:

- Assessment of the level (Based on ASIA)
- Assessment & ensure the Mobility Aids
- Regular Therapy
- Recreational Activates (Games)
- Counseling Support
- Gave information about Govt. Facilities& Their Rights to PWSCI's
- Doctor Consultation
- Medical Kit Distribution & self-employment Training

8. CBO Leaders Training:-

This Year we covered 5 Districts for SCBO program (Strengthening Community Based organization) – Ramanagar, Mysore, Hassan, Tumkur & Chikkaballapura. In this Area we identified the 72 active SCI persons and trained them for Active Members.

Concept of Training- KRBAAS CBO Program Concept, Advocacy works, and how KRBAAS will help them...etc concepts were discussed.
