

KRANATAKA RAJYA BENNHURI APAGATHADA ANGAVIKALARA SANGHA ®

(KRBAAS)

2017-18 Year Report

KRBAAS is one of the Non-Governmental organizations registered under society registration act 1960 (R.No.843-2010/11) at Chamrajpete, Bangalore. It expanded their work through Social Rehabilitation Center (SRC) at Magadi taluk Ramanagara district. From 2012 onwards KRBAAS started working towards community based social rehabilitation, vocational training, and recreation of the persons with SCI through the therapy, recreational activities and games.

KRBAAS working in some district directly in Ramanagara, Mandya, Hassan, and Mysore district also it's working indirectly (through District Association) in Davanagere and Bijapura with that have separate District level association through the support of Association. KRBAAS has their separate own board and members. At present Mr. Nagendra Kumar B N is the secretary of this association and one who maintains the Social rehabilitation center, with the support of RSO project is run and assessed quarterly with the association members and staff.

KRBAAS mainly focusing on Rehabilitation of Persons with Spinal cord Injury (PWSCI) in two levels

1. Social Rehabilitation Center
2. Community Based Rehabilitation level

In Social Rehabilitation regularly with Physio therapist with Daily Therapy, Management of Secondary Complications, Assessment and Ensuring the Mobility and Counseling support at Center level. In Community level we gave services like Advocacy related issue, Community based Rehabilitation, Regular Home Visits to PWSCI's.

01. Identification and assessment:

In 2017-2018 year are identified total 104 Persons with Spinal cord Injuries in community Level most of the persons were identified by our field workers within our geography like- Ramanagara, Mandya, Mysore and Haasan districts through the Home visits and Hospital Visits. Once we identified the persons then we take second step its Assessment it's based on ASIA (American Spinal Cord Injury Association) Assessment form with basic needs of the Persons. And also all 104 are undergone the Assessment.

02. Follow up and Membership:

After the Identification and Assessment than KRBAAS started Follow up with these persons, with the main objects like to create independent life within their circle. In this year total 326 PWSCI's are comes under follow up support , majorly follow ups done through Community Based Rehabilitation Program with Home Visits and Hospital Visits. In Community based Rehabilitation KRBAAS gave information about Social security schemes, bed sore management skill, 3% gram Panchayath fund utilization. Etc...before we gave service to persons we offer to get membership of Association.
